

[Special Education Web Resources](#)

GENERAL SOURCES:

Individuals with Disabilities Education Act

<http://www.idea practices.org>

This site holds extensive information on the Individuals with Disabilities Education Act. There are links to articles for teachers, administrators, and parents, as well as information on upcoming conferences.

The Office of Special Education and Rehabilitative Services

<http://www.ed.gov/offices/OSERS>

The Office of Special Education and Rehabilitative Services (OSERS) supports programs that assist in educating children with special needs, provides for the rehabilitation of youth and adults with disabilities, and supports research to improve the lives of individuals with disabilities.

The National Information Center for Children and Youth with Disabilities

<http://www.nichcy.org>

NICHCY is the national information and referral center that provides information on disabilities and disability-related issues for families, educators, and other professionals. Our special focus is children and youth (birth to age 22).

<http://www.nichcy.org/pubs/genresc/camp2000.htm>

The National Information Center for Children and Youth with Disabilities (NICHCY) offers a listing of campsites and programs around the nation that offer services and specialized summer camp programs for children and youth with disabilities.

The Council for Exceptional Children

<http://www.cec.sped.org>

CEC is the largest international profession organization dedicated to improving education outcomes for individuals with exceptionalities.

California Association of Resource Specialists

<http://www.carsplus.org>

Site for state organization that include resource specialists and other education specialists serving children with special needs.

Children with Disabilities

<http://www.childrenwithdisabilities.ncjrs.org>

Provides links and resources for parents and service providers of children with a variety of disabilities

Manitoba Education Training and Youth

<http://www.edu.gov.mb.ca/metks4/instruct/specedu/iep/index.html>

The purpose of these Web pages is to expand on the information provided in the document Individual Education Planning: A Handbook for Developing and Implementing IEPs.

Center for Effective Collaboration and Practice

<http://cecp.air.org/fba/problembehavior/main.htm>

The documents in this series were written with some of the country's leading experts covering topics such as IDEA, IEPs, Problem Behavior.

The Special EDge Newsletter

http://www.calstat.org/special_edge.html

The Special EDge Newsletter is published quarterly by Resources in Special Education (RiSE). Funding is provided by the California Department of Education, Special Education Division, through contract Number 9080 with Sonoma State University's California Institute on Human Services (CIHS) and the CalSTAT Project (California Services for Technical Assistance and Training).

McGraw-Hill/Dushkin Educating Exceptional Children Annual Edition

www.dushkin.com

McGraw-Hill/Dushkin Educating Exceptional Children Annual Edition- collections of articles and references to publications

Special Education Resources on the Internet

[Http://www.seriweb.com](http://www.seriweb.com)

Special Education Resources on the Internet (SERI) is a collection of Internet accessible information resources of interest to those involved in the fields related to Special Education. This collection exists in order to make on-line Special Education resources more easily and readily available in one location. This site will continually modify, update, and add additional informative links.

Center for Mental Health Services

<http://www.mentalhealth.org/>

CMHS leads Federal efforts to treat mental illnesses by promoting mental health and by preventing the development or worsening of mental illness when possible.

California State Federation, Council for Exceptional Children

<http://www.csfcec.com>

A division of CEC

Positive Behavioral Interventions & Supports

<http://www.pbis.org/english/index.html>

The Technical Assistance Center on Positive Behavioral Interventions and Supports (PBIS) has been established by the Office of Special Education Programs, US Department of Education to give schools capacity-building information and technical assistance for identifying, adapting, and sustaining effective school-wide disciplinary practices. The Center has two foci:

1. Broad dissemination to schools, families, and communities about a technology of school-wide positive behavioral interventions and support.
2. Demonstrations at the level of individual students, schools, districts, and states that school-wide positive behavioral interventions and support are feasible and effective.

Center for Effective Collaboration and Practice

<http://www.air.org/cecp/>

Center for Effective Collaboration and Practice

It is the mission of the Center for Effective Collaboration and Practice to support and promote a reoriented national preparedness to foster the development and the adjustment of children with or at risk of developing serious emotional disturbance.

Center for Study of Autism

<http://www.autism.com/>

Provides lists of Autism sites and Autism related sites.

California Department of Education, Special Education Division

<http://www.cde.ca.gov/spbranch/sed/>

Important information on the links: Composite of Laws and Resources for special education

The Cambridge Center for Behavioral Studies

<http://www.behavior.org/>

This is a nonprofit, charitable organization whose mission is to bring solutions from behavioral science to real-world challenges.

INSTRUCTIONAL SOURCES

<http://www.geocities.com/Athens/Styx/7315/subjects/Lessonplans.html> -

This site provides lesson plans and links for special education instruction

<http://www.geocities.com/WestHollywood/2555/puzzle.html>

Welcome to the Web Word Search (Plus!). Here you'll find various word searches (and some mazes too), updated semi-irregularly depending on how much time I have. You can print out each puzzle so you can work on it at your own convenience

<http://askeric.org/VirtualLessons/Interdisciplinary/INT0039.html>

This collection includes Internet sites, educational organizations, and electronic discussion groups. This collection contains more than 1100 unique lesson plans which have been written and submitted to AskERIC by teachers from all over the United States.

ORTHOPEDIC and HEALTH IMPAIRMENTS

Association to Benefit Children Online

<http://www.a-b-c.org>

ABC presents a network of programs that include advocacy, education for disabled children

TRANSITION

National Transition Alliance

<http://www.dssc.org/nta/html/home.htm>

Provides transition resources

VISION and HEARING IMPAIRMENTS

The New York Institute for Special Education

<http://www.nyise.org/index.html>

This school serves children who are blind or visually impaired.
